at 1600 on Saturday 29 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Warm sunshine on Sunday. North Sea haar.

This Evening and Tonight:
A dry end to the day with some bright or sunny spells. However, haar will be extensive around North Sea coasts, this developing more widely later in the evening and overnight. Minimum temperature 7 deg C (45 deg F).

Sunday:
The haar burning off during the morning, although lingering along some North Sea coasts through the afternoon. Otherwise dry with plenty of warm sunshine, but the east coast cooler. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
A fine dry and warm spell of weather with some sunny periods. Still the chance of haar around North Sea coasts, so cooler here.
